

CAPABILITY STATEMENT

UEI: JQ1ZEEVMBMW6 | CAGE: 7JC81

ABOUT

We deliver cutting-edge land surveying, drone imagery, 3D laser scanning, subsurface utility locating. While enhancing project safety and minimizing cost delays & changes.

PAST PERFORMANCE

- DOI | NPS
- GSA
- PennDOT
- UHPC
- PECO
- PSEG

Sample Projects

- Boundary Surveying on multiple Federal Court Houses in NYC
- Bridge Deck Replacement for Delaware Memorial Bridge
- Pre-Design Mapping of Utility Locations (multiple site contract)
- Elevator Clearance / Utility Locating in support of ADA
- Pre-Design Mapping of Utility Locations (multiple site contract)
- Topographic / Location Surveying to support Facilities' Upgrades of NBA Arena
- Land Survey for As-Built Conditions

CORE COMPETENCIES

Land Surveying Services

- Boundary / ALTA / NSPS / Geodetic / Topographic
- Boundary Line Adjustment
- Land Development / Property Line

Construction Surveying

- Construction Staking
- As Built / Foundation Survey
- Vertical Control / Grade Checking
- Drone / Aerial Construction Survey

Geospatial Services

- 3D Laser Scanning
- UAV / LiDAR Surveys
- Reality Capture / Drone Mapping
- Subsurface Utility Mapping / GPR

DIFFERENTIATORS

- Certifications: PA Land Surveyor, Rail Safety Trained, PSEG Substation, DE Land Surveyor, NJ Land Surveyor, ENV Sustainability, SIT
- Partnerships: PennDOT, PSEG, Delaware DOT, PECO, Pennoni
